## About the Faculty

In today's globalised world, lawyers and experts of international studies face the challenge of the application of a widening set of legal rules. Our Faculty, which is one of the leading Law Schools of Hungary, answered this challenge by offering transnational and comparative courses of its own as well as initiating cooperation with universities from all around the world. Students at our Faculty can now choose from a variety of foreign legal and international studies programs where they will gain in-depth knowledge of various legal systems and international relations. Traditional lectures and innovative seminars are held by faculty members or practicing lawyers and other experts, as well as international scholars, visiting lecturers from across the globe. Our modules allow for students and lecturers to meet in a multicultural environment to boost the efficiency of studying and research.
