Services of the Faculty for International Students:

ESN Mentors, as members of a non-governmental, volunteer-based student organisation in Europe, are volunteers who help foreign scholarship students settling down in Szeged. In cooperation with the University, they help newly arrived students starting their academic and social life at SZTE and Szeged.

The Faculty offers the Services of University of Szeged:

International students are provided with accommodation in dormitories in suburban area of Szeged. The Information and Study Centre and the University Library, which the biggest in Central Europe, offers online catalogue, storage request from home and four floors of documents for international students too.

International Relations of the Faculty concerning Student and Academic Staff Mobility:

Faculty of Engineering has more than 50 Erasmus+ partner universities in many countries of Europe. We offer placements (1-2 semester long studies abroad and 2-3 months internships). We are very active in CEEPUS mobility as well. 20-30 students take part STE (short term excursion) visits in Central and East-Europe Countries for few days or longer time. Our academic staff also very active in mobility programs in order to get experiences abroad. Our research partners can be found in many countries as well.
