

Faculty of Science and Informatics UNIVERSITY OF SZEGED

SZTH

About the Faculty

Our long history started with the foundation of our predecessor, the Faculty of Science and Mathematics in 1921 when the University of Kolozsvár moved to Szeged.

Teaching and research activities are divided between the institutes and departments within the Faculty. We have seven institutes, each of which can be regarded as a partially independent teaching and research unit:

- Institute of Biology
- Institute of Chemistry
- Institute of Environmental Science and Technology
- Institute of Geography and Geology
- Institute of Informatics
- Bolyai Institute / Institute of Mathematics
- Institute of Physics

There are 7 Doctoral Schools these are *Biology, Chemistry, Computer Science, Geosciences, Environmental Sciences, Mathematics and Physics*.

List of Available Programmes for International Students:

Biology MSc
 Computer Science MSc
 Chemistry MSc
 Geography MSc
 Biology PhD
 Chemical Science PhD
 Computer Science PhD
 Environmental Science PhD
 Geosciences PhD
 Mathematical Sciences PhD
 Physics Science PhD

Application Requirements in General

Applicants need to apply online: it is required to submit the application form, to pay the application and entrance exam fees and upload the necessary documents.

<https://apply.u-szeged.hu>

Application requirements are different in the programmes, please consult the following websites:

www.sci.u-szeged.hu/english/education/graduate-programs

www.sci.u-szeged.hu/english/education/phd-programs

Available Scholarships

- **Stipendium Hungaricum Scholarship Programme:** assisting students from various regions of the world to attend the Faculty – www.u-szeged.hu/stipendium-hungaricum.
- **Erasmus + programme for education:** The University of Szeged has 510 partner universities in 30 countries and 1030 cooperation agreements. It is the EU programme for education, training, youth and sport aiming at boosting skills, employability and supporting the modernisation of education, training and youth systems. More information: www.u-szeged.hu/erasmus-exchange.
- **CEEPUS:** student mobility and summer schools with 65 partner universities in 9 networks.
- **Makovecz Scholarship:** The Hungarian government has launched a cooperation programme under which 300 students from Hungarian communities in the Carpathian Basin receive a five-month scholarship to another Hungarian university.

Services of the Faculty for International Students

The Mentor System of the University: Erasmus Student Network

ESN Mentors, as members of a non-governmental, volunteer-based student organisation in Europe, are volunteers who help foreign students settling down in Szeged. In cooperation with the University, they help newly arrived students starting their academic and social life at SZTE and Szeged. ESN and their events bring international students closer to the local community and last but not least, they make friends with them, all in order to provide opportunities for cultural understanding and self-development under the principle of students helping students and to build a more peaceful and unified Europe of tomorrow.

Opportunities for Students

- intensive practical training
- extensive scientific and industrial partnership in the international projects of our institutes
- research possibilities in the **Szeged Biological Research Centre**
- collaboration with the **ELI-ALPS** Laser Research Centre, an integral part of European scientific research institutions

Available Programmes of the Faculty Science and Informatics

Name of the Programme	Degree Awarded	Contact Person for Prospective Students	Starts	Language of the programme
Chemistry	MSc	Prof. István Pálinkó palinko@chem.u-szeged.hu	September	English
Biology	MSc	Dr. Zsolt Bereczki assistant professor bereczki.zsolt@bio.u-szeged.hu	September	English
Computer Science	MSc	Dr. Tamás Vinkó associate professor tvinko@inf.u-szeged.hu	September & February	English
Geography	MSc	Dr. Ferenc Kovács assistant professor kovacs@geo.u-szeged.hu	September	English
Doctoral School of Geosciences	PhD	Prof. Gábor Mezősi mezosi@geo.u-szeged.hu	September & February	English
Doctoral School of Chemistry	PhD	Prof. Ágota Tóth atoth@chem.u-szeged.hu	September & February	English
Doctoral School of Computer Science	PhD	Dr. Tamás Vinkó associate professor tvinko@inf.u-szeged.hu	September & February	English
Doctoral School of Mathematics	PhD	Prof. Gábor Czédli czedli@math.u-szeged.hu	September & February	English
Doctoral School of Physics	PhD	Dr. Zoltán Keresztes associate professor zkeresztes.zk@gmail.com	September & February	English
Doctoral School of Biology	PhD	Prof. Csaba Vágvolgyi csaba@bio.u-szeged.hu	September & February	English
Doctoral School of Environmental Sciences	PhD	Prof. Zoltán Kónya konya@chem.u-szeged.hu	September & February	English

Fees and Tuition

Name of the Programme	Degree	Tuition Fee / Semester	Application Fee	Entrance Exam Fee
Chemistry	MSc	4000 USD	35 EUR	300 USD
Biology	MSc	3300 USD	35 EUR	300 USD
Computer Science	MSc	4500 USD	35 EUR	300 USD
Geography	MSc	3000 USD	35 EUR	300 USD
Doctoral School of Geosciences	Phd	5000 EUR	35 EUR	300 USD
Doctoral School of Chemistry	Phd	5000 EUR	35 EUR	300 USD
Doctoral School of Computer Science	Phd	5000 EUR	35 EUR	300 USD
Doctoral School of Mathematics	Phd	5500 EUR	35 EUR	300 USD
Doctoral School of Physics	Phd	5000 EUR	35 EUR	300 USD
Doctoral School of Biology	Phd	5000 EUR	35 EUR	300 USD
Doctoral School of Environmental Sciences	Phd	5000 EUR	35 EUR	300 USD
