

Technical drawing of a mechanical part, likely a bracket or support, showing dimensions in millimeters (mm).

Top View Dimensions:

- Total width: 66 mm
- Distance from left edge to centerline: 2 mm
- Distance from right edge to centerline: 2 mm

Front View Dimensions:

- Total height: 45 mm
- Distance from top edge to centerline: 30 mm
- Distance from bottom edge to centerline: 12 mm

Geometric Features:

- The part has a rectangular base with a central slot.
- The top surface is hatched, indicating a specific material or finish.
- The bottom edge features a semi-circular cutout.
- Dimension lines indicate the 2 mm offsets from the edges to the centerline.

Technical drawing of a vertical structure, likely a wall or partition, showing dimensions and construction details. The drawing includes a cross-section view on the right and a side elevation view on the left. The cross-section shows a vertical wall with a total height of 2,20. The wall is composed of a main body (hatched area) and a top section (unhatched area). The top section has a width of 33 and a height of 12. The main body has a width of 30 and a height of 2,20. The drawing also shows a base structure with a width of 2,20 and a height of 1. The side elevation view shows a vertical wall with a total height of 2,20. The wall is composed of a main body (hatched area) and a top section (unhatched area). The top section has a width of 33 and a height of 12. The main body has a width of 30 and a height of 2,20. The drawing also shows a base structure with a width of 2,20 and a height of 1.
